Teutonic Breaks the Record for 24 Hours' Ocean Steaming.

But Hard Luck Prevents Her Recapturing the Pennant.

Never did a steamship make a braver effort to regain her taureis as the Queen of Ocean Racera, and never did a ship have harder luck than the White Star liner Teutonic, which have had a short to regain her taureis as the Queen of Ocean Racera, and never did a ship have harder luck than the White Star liner Teutonic, which he her results a short the Teutonic's fault but the result of unior truncate circumstances.

"We had terrible luck all the way over," said Purser Russell to an Evening World Preporter. We started out under favorable analytics by at once fell in with strong head whick and head sea, and never did a ship have harder luck than the White Star liner Teutonic, which he lead to break the leaf to work one engine alone during the last 290 knots.

It was exasperating, and to add to Capt. Third day

came up to her dock at the foot of West
Tenth street at 8.45 o'clock this morning.
She left Daunt's Rock Light, from Queenstown, at 10 p. m. Thursday last, and at 3.5d
this morning poked her ness through fog at
Sandy Hook, completing her passage in 5
days, 18 hours and 46 minutes or just 2
hours and 48 minutes behind the best of all
record, made by the Inman liner city of Paris,
which came into this port last Wednesday
siter a trip of 5 days, 15 hours and 58

STEANSHIP TRUTONIC.

"Yesterday we scored 528 knots, and I
guess till be a long time before you see that
record broken or even equalled. If we hadn't
broken down last night we would have run
the 210 knots in thirteen hours, instead of
the sixteen and a hair hours it took us.
"We didn't break the record, but under the
circumstances we made a wonderfully quick
passage. But we don't give up yet. This
ship hash! Bished her career, and she'll
surprise everybody before long."
The Teuronic's leg shows that her daily
runs were as follows:

Knot's

According to this the Teutonic's course was ten knots shorter than the City of Paris's on her record-breaking trip of last week. The City of Paris's best day's run was 520 knots. Among the Teutonic's saloon passengers were: 2,775

week.
Little wonder that the City of Parls, at her dock adjoining that of the Teutonic, stood a trifle more erect than u-ual this morning, and that Capt. Watkins waiked with a hriner and more eastle step than ever, His sind had fittingly inaugurated her debut as an American vessel by promptly setzing the pensand Mean as a racer, and he meant to hold on to it.

Little wonder, too, that Capt. Irving, of the Icutonic, was not inclined to talk of his sweet.
